"TINTORIANA™" is a garment dyeing brand by Komatsu Matere.

Derived from the Italian word tintoria (meaning dyehouse), the brand achieves rich textures and versatile functionality through its proprietary dyeing and processing technologies.

We also offer collaborations with TINTORIA EMILIANA, a long-established Italian dyeing factory. By combining domestic and international expertise, we propose even more captivating and borderless manufacturing solutions.

Garment dyeing—reimagined as a production model for the future.
