

# Honey Vintage™ SS

Natural fabric that adds a dry feeling to honey vintage

- 3D dyeing gives the yarn a bulging feeling, and then loosening each fiber creates a gap between the yarns, making it easier for air to escape, giving it a fluffy, light and dry feel.
- It has a warm texture like "sunlight" and moderate stretch.
- By drawing out the original characteristics of the thread, it has a soft yet repulsive texture while maintaining a natural look.

在Honey Vintage™基础上添加干爽感的自然面料

- 通过3D染色给丝线带来膨胀感，在此基础上把纤维一根根地拆开，从而在丝线间产生缝隙，容易透气，具有暄软蓬松的轻盈感和干爽感。
- 兼具“向阳处”般温暖的质感和恰到好处的拉伸弹性。
- 通过把丝线原有的特色引导出来，从而保持了自然的外观，摸起来柔软中又带着排斥感。
